

Rewind – Value 4 – Life is Better Connected

What is meant by “connection?”

Connected people are engaged in:

- Loving one another – John 13:34
- Honoring one another – Romans 12:10
- Rejoicing with one another; Live in harmony – Romans 12:15
- Carrying one another’s burden – Gal. 6:2
- Communicating loving truth to one another – Ephesians 4:29, 32
- Praying for one another – James 5:16
- Holding one another accountable – James 5:19-20; Galatians 6:1

Why is life better for believers who are connected?

- Because it is commanded by God
I accept that this is God’s will for me.
- Because it protects us
I have blind spots and you can alert me to them.
- Because it completes us
I do not have what you have, yet I need it.
- Because it pictures our unity in Christ
I am with you at the Lord’s Table... in congregational singing... in congregational intake of the Word.
