Nehemiah- Moved to tears & prayer

Nehemiah 1:3-4

Pastor Jack Austin

Nehemiah listened and reacted.

- His reaction revealed the extent of his compassion.
- His reaction revealed the depth of his devotion.
- His reaction was not based upon fallen walls, but God's glory.

Nehemiah responded with fasting and prayers.

- Why the effort?
- Understanding reality: prayer is not manipulating a reluctant God

Is there anything that motivates me to weep & pray?

Nehemiah's pattern

We can do more than prayer after we have prayed but not until we have prayed!
