

# Worship with us in the Word

God's Agenda Takes Root

Nehemiah 2:11-20

Pastor Jack Austin

Realize: *God accomplishes His purposes through people who depend upon the resources He provides!*

Nehemiah's Example Includes:

1. The place for relaxation
2. The role of motivation
3. The activity of preparation
4. The need for exhortation and information

Note: The people responded in word and action.

5. The response to opposition

Three Questions:

*What is it that God has put in your heart to do?*

*Will you dare to trust God to accomplish the unbelievable in you and through you?*

*Will you look to help 'deal with the rubble' either in your life or in that of a friend who is burdened?*

For next Sunday: Prepare your heart for the Lord's Table and also read Nehemiah 3-4.
