

Easter Through the Eyes of God

1. God's righteousness is seen apart from the law.
2. God's grace is exalted and free from any human efforts.
3. God's consistency is revealed.
4. God's law is confirmed. The standard of God's holiness is upheld.

Sola gratia...sola fide...soli Deo Gloria

In Christ's death, one sees God's justice, God's grace, and God's consistency. It is all for His glory.
