

FAITH CLARIFIES EVERY CHOICE

Hebrews 11:23-28

Introduction

A life that delights God is a life of faith.

Faith is not hoping that God will do what He could do.

Faith is living as though God will do what He has said.

1. Seek status or seek my role?
2. Think short-term or think long-term?
3. Fear man or follow God?
4. Trust in my experiences or trust in God's Word?
