

Why God's Word Matters, Part 2

1 Kings 17:7-16

This woman essentially had nothing!

1 Kings 17:4

"I have commanded the ravens to feed you."

1 Kings 17:9

"I have commanded a widow to provide for you."

V. 14 – God's Word will outlast the entire universe!

If God says something, do you realize what ultimately does not matter?

God's Word matters because God's Word carries the highest authority.

Whatever God says, that's the way it's going to be!

Whatever God commands, that's the Word I must obey!

What you do with God's Word will determine everything about your life and your future!

That's why God's Word matters so much!
