

A Fresh Look: *When Life and Worship Intersect*

Setting: 5 BC - A lousy time to live in Judea . . .

Mary worshiped God although perplexed and confused.

Mary worshiped God by focusing on His greatness.

- His mercy: *Have you experienced it?*
- His awesome power: *Have you observed it?*
- His unwavering faithfulness: *How have you experienced it?*

Mary's worship produced service & commitment.

Worship is the result of a heart that is tuned-in to God.
