

A Living Hope Results in Holy Living

1 Peter 1:13-25

It is who we are . . . chosen exiles with a living hope.

It is how we live . . . being set apart.

- Prepare your mind.
- Prepare your will.
- Imitate Christ.

It is how we live . . . with fear and reverence.

It is how we live . . . with tangible love.

Possessing a 'living hope' focus leads to a 'living holy' lifestyle.
