Worship with us in the Word

Simply The Best—A Study in Hebrews
Deity with Humanity – Necessary for Salvation
Hebrews 2:1-18
Pastor Jack Austin

The Problem – To help Christians, who were tempted to deconstruct their faith because of doubts about Jesus, to remain true to their confession because of God’s plan and promise

Evangelical Deconstructionism today...

Danger: Watch for Drifting! 2:1-4

- It involves neglecting the Word rather than rejecting the Word.
- It involves believers rather than non-believers.
- Be alert – drifting off course is typically seen as getting on course by non-believers.

His humanity enabled Jesus...

- To regain man’s original dominion – vv. 5-9
- To bring “many sons to glory.” vv. 10-13
- To disarm the devil and deliver us from slavery to sin. vv. 14-16
- To be a sympathetic High Priest to His people. vv. 17-18

But why was Jesus’ exaltation preceded by His death?

Reason #1- Because it was ‘fitting’ and necessary – 2:10, 17

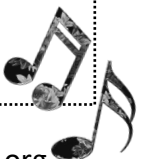

Reason #2 – Because of God’s plan and His promise – 2:11, 16

Questions to consider:

1. What various forms can ‘neglecting’ our walk with God take?
2. What actions can you take to guard against drifting off course spiritually?
3. Since Jesus disarmed the devil through His death (v. 14) , what are the practical implications for fighting “transgressions or actions of disobedience” (v.2)?

Songs we are singing:

Praise the Lord Almighty
Because He Lives
In Christ Alone
You Are My All in All

Next week we will be in Hebrews 3
