

What if *Death had won. . . there is no resurrection?*

1 Corinthians 15:12-22

If there is no resurrection, then...

1. Christ never left the grave.
2. The gospel message is worthless.
3. The believer's faith is misplaced & empty.
4. The apostles were liars.
5. The Scriptures were and still are irrelevant.

What happens to us if death had won:

6. Sin's power is unbroken.
7. All who died have perished.
8. Christians are to be pitied.

BUT...

Our *what if* must be replaced by *what did!* 1 Cor. 15:20-22
