Life with a Church – Non-negotiables for a Biblical Church

1. A Place that Faithfully Teaches God's Word
 - Talked about or taught?
 - Does the statement of faith make any practical difference?
2. A Place that Values God's Word
 - Is the gospel is cherished and proclaimed?
 - Does sound doctrine really matter? 2 Timothy 4:3-4
3. A Place that Collectively Lives Out God's Word
 - A culture of following what is taught in the Bible
 - A culture of 'one-another' living in the community of believers
 - A culture where godly friendships are cultivated
 - A culture that understands its mission to make disciples
 - A culture where serving is fostered – Eph. 4:12
 - A place that is willing to remove you from membership.
