The Incognito Christ.... Believing is Seeing!

Luke 24:13-35

An encounter with Christ rarely happens through a Damascus Road experience. It almost universally happens through an Emmaus Road experience of meeting Him in the ordinary routine of life.

The two men possessed a basic problem. (13-24)

- Struggling to make sense of unmet expectations.
- *“Our hope was dead and buried.”*

The two men received the big picture. (vv. 25-27)

- They weren't unbelievers, but rather improper believers.
- Talking about Jesus – provided no real hope.
- Jesus provided the big picture: The Scriptures.

The two men experienced a 'belief' perspective. (vv. 28-35)

- The invitation to Christ – *Who was responsible for this?*
- The recognition of Christ – *Who was responsible for this?*
- The celebration concerning Christ.

Are you 'in Christ' today?

- *If so, you can undoubtedly point to these same three elements in your life.*
- *If unsure, you can invite Christ to enter your life, recognize Him as Scripture declares Him to be, and celebrate with all those who have been redeemed!*
