What's my response to this?

- Everybody has a next step. My next step of spiritual growth will be \_\_\_\_\_.
- Do you accept a general difference between 'normal' Christians and those who have gone through 'spiritual growth training?' Do you think such a distinction is what the New Testament describes for believers/disciples?
- This pastor of the Hebrews displayed both a strong exhortation with practical encouragement based on a genuine relationship of love. With whom can you do the same thing? What patterns did he use that you can too?
- Are you ever tempted not to speak up about the truth we hold as a body of believers for fear that we might offend someone with a different worldview?
