Picture #1 – Sheep and wolves (7:15)

- False prophets' character – dangerous but not easily recognizable
- False prophets' claim – speaking for God
- Reality – numerous false voices

Picture #2 – A Tree and Its Fruit (7:16-20)

- Requires an inspection rather than an assumption
- Requires knowing what fruit Jesus considers good and bad

Picture #3 – Friends and Strangers (7:21-23)

- Jesus contrasts one's profession with one's practice
