The Context – John 1

John, the Baptizer's role

- His purpose – Messiah's arrival
- His message - Repentance
- His method – Proclaiming & baptizing

A specific question: What do you want?

A personal invitation: Come and see.

A new name:

- Simon – listening or hearing
- Cephas, Petros – rock

A direct call: Follow me.

An Intimate knowledge – I saw you under the tree!

- A reference to Jacob's dream – Genesis 28
- Come to Me and you will see!

So... how would you answer His question, "What do you want?"

- The invitation is to a person... not a theological perspective or a political position.
- The instruction is a clear command: Follow Christ.
