The Portrait of Jesus in Gethsemane

- The Emotions of Jesus
- The Body of Jesus
- The Prayer of Jesus

Principles for Our Praying

1. Primary purpose – Submit yourself to a sovereign God.
2. Privacy – Get alone with God.
3. Pain – Expect to wrestle & agonize in prayer.
4. Posture – Place your body in a humble position.
5. Perseverance – Stay in prayer until submission is realized.
6. Preparation – Praying in private leads to prevailing in public.
