## THE MOTHERLY QUALITIES OF GOD

Pastor Steve Schultz - WARBC State Shepherd

Moms tend to model godliness better than men in some areas.

Note these 5 qualities shared by God and good moms:

1. They are both compassionate. Isaiah 49:15

2. They both provide comfort. Isaiah 66:13

3. They can both be fierce. Hosea 13:8

4. They both protect. Matthew 23:37

5. They both submit. 1 Corinthians 11:3

So Then: Moms and girls should cultivate these godly qualities.

Dads and boys should cultivate these godly qualities.
