The King Is Risen - Why It Matters Now

- It is **THE** critical element of Christianity.
- "Their" reaction forces me to think about my response.
- It assures me of ...
God's forgiveness,
God's power,
God's ultimate triumph.
- He is King over me regardless of my acknowledgement of Him.

Please Identify Your Response:

- A. Jesus is already my King.
- B. I'm just now beginning a real relationship with Jesus as my King.
- C. I want to consider it a bit more.
- D. I don't ever intend to make this decision.
