Set Your Hope: Walk in Holiness  
1 Peter – When Things Get Tough  
1 Peter 1:13-25  
07/07/2024  
Pastor Jack Austin

Main Concept: Set your hope solidly on the grace of Christ. Live as a ‘foreigner’ in this world.

What does this look like ? An exiled citizen...

- Possesses a determined effort
- Pursues a rejection of natural, sinful bents
- Desires holiness to affect all areas of conduct
- Remembers this living hope – Christ’s resurrection
- Obeys the truth diligently
- Loves others earnestly

Why such an exhortation?

- Because it reflects the holy character of God – vv. 15-16
- Because I was redeemed by Christ’s blood with proof given through His resurrection – vv. 19-21
- Because someone preached this good news to me – v. 25

What’s next for you?

- Preparing your mind for walking in holiness: What? How? When will you start?
- Purifying your life through obedience to the truth: What will you ‘put on’ and ‘put off’?
- Practice walking in holiness in loving other believers: Who or what will be the next attempt?
