David's Experience in Trusting God – vv. 1-7

David's Directive to Trust in God – vv. 8- 10

- When?
- Why?
 - God is "a refuge".
 - Man is "a breath."
 - Man's "solutions" will fail.

David's Instruction from God – vv. 11-12

- God is powerful.
- God displays steadfast love.
- God rewards according to one's work.

My Personal Response:

- *Can I really say "for God alone my soul waits" or do I look to someone else or my own ingenuity to cope with my challenging circumstances?*
- *"Pour out your heart before Him" – What does this look like in my life?*
- *"Trust in Him at all times." – In what times or situations are you most likely not to trust in Him? How would vv. 11-12 impact a change in your ability to trust God in these areas?*
