09/29/24

Let play, “Name That Tune ... PSALM!”

Psalm 104 – A Praise Hymn

An opening declaration:

1. The Reasons for Praising God – vv. 1b-32

Reason #1 - The Lord's majestic splendor

Reason #2 – The Lord's creation itself

Reason #3 – The Lord's continual provision

Reason #4 – The Lord's complete sovereignty

2. The Resolve to Keep Praising God – vv. 33-35

- Inwardly felt
- Openly expressed
- Continually offered

Theological Implications:

My Personal Response:

- *I do not view the world rightly unless I see it in connection with the Lord who created it and directs it.*
- *I am wrong to view the world as merely 'nature,' implying a separate existence apart from God.*
- *I and all humanity were placed on earth to care for God's creation as His stewards, exercising dominion over it, but not exploiting it for personal agendas.*
