The Explanation and response Daniel 8:20-27

APPLICATION

Life is hard to understand and often appalling but the **end** is certain
Transgression and deceit may prosper but always with a limit
and saints will die and God / Christ will be attacked

Finally in the end, ...

One will destroy many, be proud, and be powered by another; but he will be broken by God

so live like a saint – holy, sorrowful, productive, and waiting
