

“God knows that there are some sins I just can’t overcome.”

Our Starting Point...

- The gospel is true!
- The believer is secure!

How is our ‘fake news’ reached?

- Biblical verbiage
- Practical observation & experience

Why should this fake news be dismissed as a lie?

- Salvation’s provision – 2 Cor. 5:17
- Spirit’s role – Romans 8:1-17
- Scripture’s instruction - John 3:6-10; Romans 13:14

A path to spiritual progress...for believers:

1. **Analyze your provisions for failure.**
2. **Develop a detailed put off/put on plan.**
3. **Practice your plan.**
4. **Be accountable – especially to mature believers.**
